

Boston *West*

Members' Newsletter

Away resorts would like to take this opportunity to thank you for your support and selecting Boston West as your golf venue of choice.

Upon joining us here at Boston West you will have noticed investment already being made, including refurbishment of our driving range, new mats, tees, balls and baskets.

We have also reinstalled Toptracer which is part of the Top Golf family, the system enables both the serious golfer with ball tracking capabilities and also the amateur golfer with fun and games for the whole family.

We will continue to invest in the golf course and endeavour to restore the course to its fine condition throughout the season. Our dedicated green keepers are working tirelessly to restore it...watch this space!

Membership numbers are on the rise and we will monitor numbers to ensure we can accommodate our mixed market of golfers whilst guaranteeing adequate tee times are available. Should you have any friends or colleagues who are considering

joining please take advantage of our referral offer of a free hot drink and bacon sandwich (new member must provide membership number)

Exciting times ahead!

A few minor changes are being made to make way for an England Golf affiliation, this will enable us to provide members with regular competitions and access to The World Handicap System.

We are also investing in a software system to compliment our membership package to assist with The World Handicap System. This system will be yet another benefit to our members providing you with the most up to date and reactive handicap solution.

With the England Golf affiliation looking imminent we would politely ask that members follow a few do's and don'ts :-
